

WHISTLE BLOWING POLICY

1. Introduction

- 1.1 The Governing Body is committed to the highest possible standards of openness, probity and accountability. In line with that commitment we expect employees who have serious concerns about any aspect of the College's work to come forward and voice those concerns.
- 1.2 This procedure makes it clear that you can do so without fear of victimisation, subsequent discrimination or disadvantage. It is intended to encourage and enable employees to raise serious problems within the College rather than overlooking a problem or "blowing the whistle" outside.
- 1.3 This procedure has been discussed with the relevant trade unions and professional organisations and has their support.
- 1.4 The Governing Body has overall responsibility for this procedure.

2. Aims and Scope

- 2.1 This procedure aims to:
 - encourage you to feel confident in raising serious concerns and to question and act upon concerns about practice
 - provide avenues for you to raise those concerns and receive feedback on any action taken
 - ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied
 - reassure you that you will be protected from possible victimisation if you have a reasonable belief that you have made any disclosure in good faith
- 2.2 The procedure is intended to supplement, rather than to replace, the existing complaints, disciplinary and grievance procedures as laid down in the Employment Handbook. It is intended to cover serious concerns that fall outside the scope of other procedures and may relate to something which:
 - is against Council's Standing Orders, Financial Regulations and policies
 - falls below established standards of practice, or
 - amounts to improper conduct, including something you believe may be:

- ❖ against the law
- ❖ a Health and Safety risk
- ❖ damaging to the environment
- ❖ misuse of public money
- ❖ corruption or unethical conduct
- ❖ abuse of clients or service users

3. Confidentiality

- 3.1 All concerns will be treated in confidence and every effort will be made to protect your identity if you so wish. At the appropriate time, however, you may need to provide a statement or act as a witness and will be expected to co-operate fully with the investigation and disclose all relevant information.

4. Anonymous Allegations

- 4.1 This procedure encourages you to put your name to your concern as anonymous allegations may often be difficult to substantiate/prove.
- 4.2 Concerns expressed anonymously are much less powerful but will be investigated unless the Chair of Governors in consultation with the relevant Head of Service agrees there is insufficient evidence to proceed.

5. Untrue Allegations

- 5.1 If you raise a concern in good faith, but it is not subsequently confirmed by the investigation, no action will be taken against you. If, however, you make an allegation frivolously, maliciously or for personal gain, disciplinary action may be taken against you.

6. How to raise a Concern

- 6.1 As a first step you should normally raise concerns with your Head of Department/line manager and inform him/her you are using this procedure. However, the College recognises that on occasion this may not be appropriate.
- 6.2 A number of alternative contacts may be appropriate depending on the nature of the concern. For example, you could approach a more senior manager in the school such as the Principal or Vice Principal or any School Governor.
- 6.3 Concerns may be raised verbally or in writing.
- 6.4 Although you are not expected to prove beyond doubt the truth of your concerns, you will need to demonstrate that you have reasonable grounds to raise them.
- 6.5 Where employees fail to report their concerns they may become themselves implicated and consequently the College's may treat failure by

an employee to report such matters as a serious matter which could lead to disciplinary action.

- 6.6 You may wish to obtain assistance in putting forward your concern from your Ed Personnel, a Trade Union representative or a colleague. You may choose to be represented by a Trade Union representative or work-based colleague at any meetings which are required.

7. How the College will Respond

- 7.1 In order to protect individuals and the Governing Body, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. Concerns or allegations which fall within the scope of specific procedures (for example Child Protection issues) will normally be referred for consideration under those procedures.
- 7.2 The person with whom you have raised your concern will, within ten working days, write to you with the following:
- acknowledgement that the concern has been received
 - an indication of how the concern will be dealt with
 - an estimate of how long it will take to provide a full response
 - whether any initial enquiries have been made
 - whether further investigations will take place, and if not, why not.
- 7.3 The College will inform you in writing of the outcome of any investigation, or any action taken, subject to the constraints of confidentiality and the law.

8. The Responsible Officer

- 8.1 The Chair of Governors has overall responsibility for the maintenance and operation of this policy. That Governor maintains a record of concerns raised and the outcomes and will report as necessary to the Governing body. The recording and reporting procedure will be in a form which ensures your confidentiality.

9. How the Matter can be taken Further

- 9.1 This procedure is intended to provide you with a route within the College to raise concerns but if you do not feel your concern has been addressed adequately you may raise it with an independent body such as one of the following:
- your Trade Union
 - your local Citizens Advice Bureau
 - a relevant professional body or regulatory organisation
 - a relevant voluntary organisation
 - the police
 - the Local Government Ombudsman

9.2 You have a duty to the College not to disclose confidential information. This does not prevent you from raising concerns with an independent body referred to above, or Public Concern at Work (Tel no 020 7404 6609)¹ in accordance with the provisions of the Public Interest Disclosure Act 1998.
