The statutory tests and qualifications offered are GCSE, Diplomas and VCerts.

The subjects offered for these qualifications in any academic year may be found in the centre's published prospectus for that year. If there has been a change of syllabus from the previous year, the exams office must be informed by September of each academic year.

Decisions on whether a candidate should not take an individual subject will be taken in consultation with the candidates, parents/carers, SENCO, subject teachers, heads of subject and the Vice Principal responsible for Assessment and Examinations.

At key stage 3 & 4

All candidates will be entitled, and enabled, to achieve a qualification from an external awarding body. The Academy actively supports and promotes the 'stage not age' philosophy and seeks to ensure and celebrate early success where appropriate.

4. Exam seasons and timetable

4.1. Exam seasons

- Internal exams are scheduled throughout the year.
- External exams are scheduled in November and June.
- All internal exams are held under external exam conditions.
- Which exam series are used in the centre is decided by the head of centre, heads of department and the senior leadership team.

5. Entries, entry details and late entries

5.1. Entries

Entry deadlines are circulated to Subject Leads. Late entries, tier entries and withdrawals are authorised by the designated member of the Senior Leadership Team.

6. Exam fees

- The centre will pay all normal exam fees on behalf of candidates.
- Late entry or amendment fees are paid by centre.
- Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes provided these are made within the time allowed by the awarding bodies.

7. The Disability Discrimination Act (DDA), special needs and access arrangements

7.1. DDA

The Disability Discrimination Act 2005 extends the application of the DDA to general qualifications. All exam centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

7.2. Special Needs

A candidate's special needs requirements are determined by the SENDCo.

The SENDCo will inform subject teachers of candidates with special educational needs who are embarking on a course leading to an exam. The SENDCo can then inform individual staff of any special arrangements that individual candidates can be granted during the course and in the exam.

7.3. Access arrangements

Making special arrangements for candidates to take exams is the responsibility of the SENDCo and the exams officer.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the exams officer. Rooming for access arrangement candidates will be arranged by the exams officer.

Invigilation and support for access arrangement candidates will be organised by the exams officer.

7.4. Estimated grades

The Subject Leads will submit estimated grades to the exams officer when requested by the exams officer.

8. Managing invigilators and exam days

8.1. Managing invigilators

- External invigilators will be used for external exams.
- The recruitment of invigilators is the responsibility of the exams office.
- Securing the necessary Data Barring Service (DBS) clearance for new invigilators is the responsibility of the Business Manager who is the designated person.
- DBS fees for securing such clearance are paid by the centre.
- Invigilators are timetabled and briefed by the exams office. Invigilators' rates of pay are set by County guidelines.

9. Exam days

- The exams officer will book all exam rooms after liaison with other users and make the question papers, other exam stationery and materials available for the invigilator.
- Site management is responsible for setting up the allocated rooms.
- The lead invigilator will start all exams in accordance with JCQ guidelines.

- Subject staff may be present at the start of the exam to assist with identification of candidates but must not advise on which questions are to be attempted.
- In practical exams subject teachers may be on hand in case of any technical difficulties.
- Exam papers must not be read by subject teachers who are not invigilating the exam until 1 hour has passed. Papers must not be removed from the exam room before the end of a session. Question papers will be distributed to heads of department once the exam scripts have been collected from the centre.
- A relevant subject teacher may be available to read out any subject-specific instructions and start the exam, if required.

10. Candidates, clash candidates and special consideration

10.1. Candidates

- The centre's published rules on acceptable dress, behaviour, mobile phones and all electronic devices apply at all times.
- Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.
- Disruptive candidates are dealt with in accordance with JCQ guidelines.
- Candidates may leave the exam room for a genuine purpose requiring an immediate return to the exam room, in which case a member of staff must accompany them.
- The exams officer will attempt to contact any candidate who is not present at the start of an exam and deal with them in accordance with JCQ guidelines.

10.2. Clash candidates

- The exams officer will be responsible as necessary for supervising escorts, identifying a secure venue and arranging overnight stays.

10.3. Special consideration

- Should a candidate be ill before an exam, suffer bereavement or other trauma, be taken ill during the exam itself or otherwise disadvantaged or disturbed during an exam, then it is the candidate's responsibility to alert the centre, the exams officer, or the exam invigilator, to that effect.
- The candidate must support any special consideration claim with appropriate evidence within three days of the exam, for example a letter from the candidate's doctor.
- The exams officer will then forward a completed special consideration form to the relevant awarding body within seven days of the exam.

11. Coursework and appeals against internal assessments

11.1. Coursework

Candidates who have to prepare coursework should do so by a date agreed by the Head of subject.

Subject Leads will ensure all coursework is ready for despatch at the correct time. The exams officer will keep a record of what has been sent when and to whom.

Marks for all internally assessed work and estimated grades are provided to the exams office by the subject teachers and the heads of department.

11.2. Appeals against internal assessments

The centre is obliged to publish a separate procedure on this subject, which is available from the exams office. The main points are:

- appeals will only be entertained if they apply to the process leading to an assessment. There is no appeal against the mark or grade awarded
- candidates may appeal if they feel their coursework has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification
- appeals should be made in writing to the head of centre (or other nominee) who will decide whether the process used conformed to the necessary requirements
- the head of centre's findings will be notified in writing, copied to the exams officer and recorded for awarding body inspection.

12. Results, enquiries about results (EARs) and access to scripts (ATS)

12.1. Results

Candidates will receive individual results slips on results days either in person at the centre or by post to their home addresses on the following day. Arrangements for the Academy to be open on results days are made by the senior leader.

The provision of staff on results days is the responsibility of the senior leader.

12.2. EARs

EARs may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking.

If a result is queried, the exams officer, teaching staff and head of centre will investigate the feasibility of asking for a re-mark at the centre's expense.

When the centre does not uphold an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they will be charged.

12.3. ATS

After the release of results, candidates may ask subject staff to request the return of papers within three days' scrutiny of the results.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

GCSE re-marks cannot be applied for once a script has been returned.

(See also section 5: Exam fees)

13. Certificates

Certificates are presented in person to the candidate.

Certificates may not be collected on behalf of a candidate by a third party.

Replacement certificates are the responsibility of the candidate and must be requested through the relevant exam board

The centre retains certificates for five years.

Controlled Assessments have a separate policy.
